

The FAA Safety Team presents:

# **HAI Safety Symposium: USHST - Promoting Helicopter Safety Across the Industry at HAI HELI-EXPO 2016**

This session will focus on how the USHST identify and then target the higher risk areas of our helicopter industry and discuss the initiatives put in place to mitigate those risks. Senior managers from across the industry will present the latest US accident data, introduce case studies, and then answer questions from the audience in an interactive and dynamic panel format. This is a must-attend session and it sets the scene for many of the USHST-sponsored and other presentations available in the Rotor Safety Challenge.

This session is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2016. These sessions are FREE to all HELI-EXPO 2016 registered attendees and exhibitors. Attend at least six Rotor Safety Challenge sessions at HELI-EXPO 2016 and receive a certificate of recognition for completing the 2016 HAI Rotor Safety Challenge.

Take the Safety Challenge in three simple steps:

Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule. To see the full Safety Challenge schedule, visit <http://www.rotor.com/takethechallenge>.

## Event Details

**Mon, Feb 29, 2016 - 08:00 EST**

**Kentucky Exposition Center**

937 Phillips Ln

South Wing C

Louisville, KY 40209

**Contact: Anne Nevel**

**(703) 683-4646**

[education@rotor.org](mailto:education@rotor.org)

Select #: EA2565083

Representative Anne Nevel

At the conclusion of each session, receive an official token from the room monitor or presenter.

Once you have earned at least six tokens, drop by the HAI Safety Committee Booth on the show floor, turn in your chips to a committee member, and immediately receive a certificate of recognition.

For more information and questions contact HAI at 703-683-4646, [education@rotor.com](mailto:education@rotor.com), or visit: <http://www.rotor.com/takethechallenge>.
